

## WATCH MATRIX (2026)

The following document provides all primary WATCH judges for 2026 with their assignments for the calendar year according to information provided by the member theater companies.

The pages are in alphabetical order by “theatre acronym”.

So, “The Arlington Players” are listed under “TAP”.

In addition to the judge assignments, the matrix also provides a listing of judges assigned to see shows at member theaters on the same page(s).

If you have questions regarding the matrix, contact your WATCH representative at your theater or Kira Hogan, the adjudication coordinator.¶

***NOTE: No Shows Will Be Added To The Matrix.*** However, some shows may change dates or be cancelled due to circumstances at the producing theater. The matrix was created based on best known information in November, 2025. ***Please refer to the Weekly Report for your final assignments and do not go solely by this schedule.***
