The new parking garage is located at the far end of Alice West Fleet Elementary School (115 S Old Glebe Rd) on the right. (For those that remember, the school was built on top of the old parking lot.) Please note there are two sharp turns.

Once in the garage, drive toward the back and to the left. You will see a big blue wall where the stairs and elevators are located. You can take either option.

Helpful tips:

- There is a difficult to see median as you pull into the top of the garage. If you hit this, you may harm your car. Please be aware of the median and enter the garage as slowly as possible!
- Please note that the reserved signs are reserved 24/7, please do not park there.
- Please note that The Arlington Players does not control the garage and we have been warned that the garage will lock when we are to be out of the building (11PM for evening shows). If you do not get to your car by the appointed time and the doors lock, we will not be able to get you into the garage.
