|                                | – Vienna Theatre Company        |

## And now for the Awards and Nominations...

In each of the twenty-eight categories, five nominees were selected based on the average scores of at least eight judges. In some categories, due to score ties, more than five nominees are announced. Award recipients are listed first in BOLD followed by the additional nominations provided in alphabetical order by nominee. The awards and nominations are provided by category and then by theater at the end of the document.

## Awards and nominations for outstanding technical achievements.
